“ *Richard,*

You have no idea how missed you will be. Going to breakfast or lunch with you and never wanting to leave because of having such a good time. You were so much fun.

I remember the flower arrangements you would make my mom. Absolutely beautiful. Then the one Christmas when I was 7 and Santa brought me a wedding gown outfit and you made me a beautiful bouquet to go with it. That was over 50 years ago and it seems like yesterday.

Thanks for making me your FAVORTE cousin (LOL).

May you rest in peace

With much love

“ *Richard I was thinking of you on Saturday. Remembering when we worked together building a house on Bull Run Mountain and the time you invited us for dinner at your apartment in Arlington (I think it was Arlington). The food was delicious and I loved hearing you play the Organ. Most of all thankyou for teaching me it was okay to be yourself. I look forward to seeing you again in heaven with our Lord and Savior Jesus Christ.*
