“ Heidi- I am so sorry for the loss of your dad! May all of the wonderful memories that you all shared get you through this difficult time! We all know that he's in a better place, but that still doesn't heal the hurt that you're feeling. A lot of our best childhood memories were with you, your mom, your dad, and Matt. I remember picking blackberries, making homemade ice cream, and Matt driving me around on his go kart! Those were great memories! You all are in my prayers!
God Bless!
