“ I am so sad to hear of Rick's passing. He was always a jovial and positive person to work with in the Chamber. I have moved to Austin and am just seeing this notice. My thoughts and prayers go out to his wife and kids and sister Holly and the rest of his family.

“ *We first met at Strayer University, at the Manassas campus where we both taught for many years. While there, a group we call the breakfast club evolved wherein we met for breakfast on Saturday morning. Rick would come from time to time and always asked the waitress if they had mush on the menu. He never lacked for a smile and brought a lot of joy to those around him. We will miss you, Rick.*

“ I am so sorry for your loss. Rick was *THE BEST* accounting professor I have ever encountered. If you didn't understand it after attending one of his classes, you were never going to understand it. He was a great teacher and a wonderful person and he will be sorely missed. Annie Bryant/Clapp
