“ *I remember as a child there was a panther in the woods behind my grandmother's house. So Uncle Kent, Uncle Butch, Uncle Bill, my sister and myself decided to go look for it. We felt safe with Uncle Kent, he spent a lot of time in the woods. So Uncle Kent scanned the trees with the flashlight till he spotted an owl. He then shined the light into the owls eye and said," there it is." Everyone started running to get away from the panther. All but me, I proceeded to jump into his arms, and he carried out front to where everyone else was . THIS IS ONE OF MY FAVORITE MEMORIES.*
