“ *Olsie, Becky and family: Words cannot express how sorry I feel about your loss. You all have my deepest sympathy. I remember when Ricky was a youngster and what a wonderful kid he was then. He and my son had fun playing together living in that Pender community. Those memories are to be cherished and will live on. May God be with you during these difficult times.*

“ One sloppy,slusshy day in the parking lot outside of work I was getting out of my car with a bag in one hand,a purse in the other and stepped in a puddle that hid ice. I skated gracefully on my butt. Rick came running over,helped me up,checked to see if I was OK and awarded me a perfect 10(it was games week). Then he walked with me to the shop dooe to make sure I really was all right. Ever the gentleman he never laughed once.

“ Dear Mrs. Morales and Cameron,  
I was so sorry to hear about your Father's/Granpa's passing. I have always looked forward to seeing him, whether he was picking Cameron up in car pool, or attending an after-school event, like when Cameron was in a 3rd grade play that Mrs. McCarthy and I directed.  
I know he is in a better place now, at peace, and with God. He is no longer suffering. May his love and guidance always steer you and shelter you from any bumps in the road. He will always be in your hearts and may this help comfort you at this time of sorrow. Please let me know if there is anything I can do for you.  
With all my love and sympathy, Madame Ballvé
