

## Robert (Bob) Walker Hanna

May 6, 1948 - July 27, 2024

Robert (Bob) Walker Hanna of Broad Run Virginia passed away July 27, 2024, while being transported home from UVA Culpeper Hospital. Our hearts are broken that we did not make it home and we didn't have more time together. Robert is preceded in death by his parents, Jack and Dolores Hanna, and his son Michael Hanna.

Robert is survived by his wife Carol Hanna of 56 years, son David Hanna (Tamaro), grandchildren Jordan Hanna, Alexander Hanna, Alara Hanna, Hollen Hanna, and Lewis Hanna. In addition, he is survived by his two sisters Janet Fogg, Dolores Hanna, brother James (Jimmy) Hanna, daughter in laws, Tamaro Hanna, Nita Hanna, Claire Hanna, and Oyku Hanna and his in laws who loved him like a brother are Nancy and Larry Lacotti, Cathy and Howard Monahan, Karen and Nathan Keen, and Jim Fogg.

After graduating from UVA with a degree in Electrical Engineering, Bob went to work at IBM in Manassas, later moving to Lockheed Martin, and finally Leidos. Bob loved his work, but he was a real family man. He enjoyed large family gatherings and was always available to give a helping hand to his children. They thought he could fix anything, and he could.

Thanks to all our friends who were there for Bob and our family in his brief but brutal struggle with cancer. It is so hard to say goodbye, gone too soon.

Plans for a celebration of life for Bob will be announced later.
