

Robert (Bob) Vincent Hannum

December 21, 1953 - January 21, 2018

Robert (Bob) Vincent Hannum, 64 of Manassas, VA passed away suddenly January 21, 2018 at his home with his family by his side, after losing a valiant battle with bladder cancer, one we thought he had won. Bob was born in Quebec, Canada in 1953 to Calvin and Virginia Hannum.

Bob was an auto technician for 42 years before retiring in December 2016. He loved working on small engine equipment, he could fix just about anything you gave him to work on. He enjoyed shooting his gun collection with family and friends, having and restoring his antique VW's and going to car shows. Most of all he loved talking to all the friends he had made through the years, he will be greatly missed by so many.

He leaves behind his loving wife of 40 years Sherry; one son, Robert Neil Hannum of the home; one daughter, Kelly Lynn Pruitt (Daniel) of Fredericksburg, VA; two grandchildren: Andre Martin Hannum and Cassidy Lynn Pruitt both of Fredericksburg, VA; his mother, Virginia Hannum, of Fort Wayne, IN; one sister, Marie Hannum, of Sarasota, FL and one brother, David Hannum (Susan) of Kokomo, IN. Numerous nieces and nephews; and great nieces and great nephews. Our special neighbor Sean Harrell who fondly called us his east coast parents, taking him under our wings as our own.

“ *I was fortunate to be introduced to Bob twenty years ago through a mutual acquaintance. He became our 'car doctor' from then on. His honesty and loyalty were unparalleled as he tackled numerous issues on our family's vehicles from year to year. He took great care of us. I will miss shooting the breeze when picking up a vehicle that he had fixed. We talked about everything that is going on in the world. He will be sorely missed. Our condolences to Sherry and the rest of his family. Rest easy my friend.*

“ Just shy of 9 years ago I moved next door to Bob and Sherry. It was an instant bond once Bob learned I had an old VW. From there our friendship grew to the point that I looked at Bob and Sherry as my "east coast parents" since I have no family here. They would help me with so much and I would help them in return with whatever I could. I learned so much from Bob, and would like to think I taught him a thing or two also. lol I loved his honesty and upbeat personality. I love him and will definitely miss him, it will not be the same without him. I know he is up above watching down now still cracking jokes and having a good time. I just hope I make him proud with the decisions I make with my life. God bless you Bob! See you again one day...

“ Bob was an amazing friend to my parents as well as our family mechanic for years. As a teenager I appreciated how his concern for my safety translated in the care and attention he put into my car. He would always my dad how I was doing and do routine checks on my car when I was home from college on break. My deepest condolences to Bob's family. What a truly special and talented man he was!

“ Bob and I played high school soccer together when it just had become a new school sport. We were so good we played on the state all star team where we played side by side. First to receive a letter Jacket. Two super fast dudes!!! Years later we met at the Food Lion in our neighborhood. Renewing our friendship and enlisting him as my forever auto mechanic ! Don't know what I will do with out him but at least he is now pain free and enjoying a carefree life and maybe some soccer up above! Rest In Peace buddy. My family and I will miss you greatly!
