“ *My condolences to the Brown Family, I just heard, I loved you all, still think of you all, you mean something to me, Your family has lost a mentor to his grandkids, i used to love the Chritmas and other holidays, in Bob and Judys home. I flt so welcomed Bob tried to make me feel at home, I remember i was looking at ice cream at the store a few days ago, I saw Coffee ice- cream , that was a favorite of Bobs. Im rolling in tears Because i know how close and how much his kids loved him. The family Marter is gone, but always in the hearts of the Brown family, I met Bob because His son Bobby and I loved each other,, Bobby if you ever need me im always here for you still, In hoping to see you again you are the love of my life always.No one will take ur place in my life, I feel awful about ur Dad, in so sorry, Virtual huggs and kisses , ur dad is with you always, all of you, i know how much you all were so close, I truly miss you all. And i know how much Bob will be missed. May God Bless his soul. I' always think about you, Take care , with sincere Love Justine ❤️*
