“ *Opal sorry to hear about Pete he was such a dear friend to my dad. I guess they are up in Heaven sharing a good joke and a cup of coffee just like the good ole days at Colonial. May he rest in peace. Our prayers are with you and the family.*

“ *I would like to express my deepest sympathies to Opal as well as his son Fred and his family for their loss.*

Pete was the best baseball coach that a 14 year old could ever have. He not only understood the game of baseball but also understood the obstacles and challenges in the life of a 14 year old kid. Pete was always there whenever you had a problem but also demanded that you be accountable and do your job. This would prove to be a very valuable life lesson for me and I will always appreciate the fact that he allowed us to make mistakes but also held us accountable for them.

I will miss you Pete Clater.

Respectfully,

Greg Hair
