“ *My dad loved baseball and basketball. He was so passionate about the UNC basketball team and really enjoyed watching them and the Cincinnati Reds play ball. I think most of the time he wore a baseball hat was because he was hoping to find someone to chat with who was either a UNC or Reds fan as well and they could sit and "shoot the breeze" about the teams. He never met a stranger; that's for sure!*

Bob and I served together at Ft. Monroe, VA in 1968/69. I had just returned from Vietnam and Bob took me under his wing and helped a young man make many decisions. Although we lost touch over the years he was one of those people you never forget and thought about often over your lifetime. My thoughts and prayers go out to Toni, family and friends may my friend rest in peace.

Being at Ft Monroe in the 70's, I did not know him personally but would like the family to know that you are in my prayers. Rest well brother soldier. Ralph Hardin

Bob was sort of a good-will Ambassador in our community in Morehead City. He would always stop and chat with neighbors, telling us the latest local news and sharing a laugh with all. My husband, Gerry, and Bob were good friends, and maintained their health with almost daily walks around town. I will miss the sight of those two setting out another day, but I know they will resume in Heaven. Vilma Sommer
