“ I am very sad and sorry to hear about the loss of Bob, who was my boss at Merchants for many years. Bob was a great man with a good heart. He will be missed dearly.

“ Mimi, you and Papa Dorsey have always been so good to me and Samantha and David! I'll never forget how I got to pick at Papa about being our pack mule; that was his idea! I'll miss you so much but I am so thankful that I had the HONOR of meeting such a wonderful man. You too are the perfect example of what a "true love Marriage" is. May we all learn from you both. Love & hugs & Peace

“ To Marion and the Family of Bob Dorsey -I knew Bob for a short period of time, but was able to spend some quality time with him. I consider him a "good friend" who was more than willing to give a helping hand and advice when needed. My wife Marian and I will miss him. He was kind enough to give me some of his flower plants and seeds, so I will always remember him when they bloom in the spring, summer and fall. I know he is in a better place now, and he will smile down on us as we remember him and the times we spent with him. God bless you Bob Dorsey. Ralph and Marian

“ *Bob was a great friend and I was so happy when I knew that he loved the Lord.*

He was a great family man and his work ethic was incredible. Although I wasn't able to visit as much as I would have liked, Bob and Marion were always in my thoughts.

“ *I worked with Bob at Merchants from 1995 until he left the company. He was such a great person to work with and he will be greatly missed. Marion, I remember working with you at the Christmas parties that we had for the underprivileged kids. Such great times. My prayers and condolences to you and the family.*
