“ Mary, Back when our kids were at All Saints, I would regularly attend the school mass on Fridays. And every week, there were your parents who usually sat a few pews in front of me. You were working and every once and a while you would join them. We didn't know each other well at that time. But I could see how important family was to the Geris family. You have continued to show that love throughout your parents long lives. I know there is a deep hole and it hurts. But they couldn't have had a better more caring and loving daughter take care of them. I'm here for you. Love, Ceil
