To Dorothy, Kimberly and all the family. I met Robert while working at WJ in 1965, and later met Dorothy there, as well. Have known Robert for over 50 years. So sad to lose him so soon. Robert was always a good friend, as well as a man of integrity, who was honest, and hard working. He loved his family, and loved his hometown of Bedford/Pulaski. He loved researching the family history. So glad we remained friends all these years. Dorothy and Kim, I am only a phone call away, should you need anything at all. Love and God's blessings to all the family.

Dorothy, Kimberly & Family. I just found about that Bob had passed away and was shocked. I thought Bob would live to be 100 !! Bob worked for me at the CIA for many years and I could not have worked with a better person. However, I do find solace that Bob was able to spend many years in retirement. Thank you Bob and I have many memories of us doing our thing at the CIA. Please know your family is in my thoughts.
