

Robert Eric Golden

March 10, 1965 - March 28, 2021

On Sunday, March 28, Robert “Bob” Golden, loving husband and father of two beautiful daughters, passed away at age 56.

Youngest son of John S “Jack” Golden and Binna Golden Taber, he lived in Lexington, Massachusetts and attended University of Massachusetts at Amherst and completed his MBA at American International College. Bob lived in Massachusetts, Connecticut, Florida, and finally settled down in Virginia where he worked for 20 years at W R Systems. Bob was known for his infectious and dimple-cheeked smile, and his kind and compassionate spirit. His motto was family first and his friends were always considered part of his family. He was a wonderfully supportive husband, a doting father/ “dance and volleyball dad,” and a caring brother and uncle.

Bob is survived by his wife Melissa, his two children, Brooke and Victoria, his brothers Bradley and William, his nieces and nephews; Justin, Rachel, Steven, Isabella, and Jack, and many loving relatives.

A private memorial will be held on Saturday, April 3, 2021 at 3:00 PM with a live stream of the service through www.piercefh.com, and a second friends and family online memorial event via Zoom.

Should friends desire, contributions may be sent directly to the family or to the

American Heart Association.

To all of the Golden family, I am so terribly sorry for your loss. There are hardly words to describe the loss of someone so young with much still to do and offer the world.

The halls in Fairfax will not be the same. There will be an infinite void.

“ *I was introduced to Bob 10+ years ago as a vendor Bob's company. I would meet with Bob once every year and it was always one of my favorite client meetings. I would usually need to move back the rest of my appointments on the day that Bob and I were meeting, because I'd often find myself talking to him about random life events for hours. He always spoke very highly of his family and especially his daughters. I really enjoyed the time I was able to spend with Bob and I'm very sad to hear of his passing. My sincere condolences and prayers to his friends, family, and coworkers.*

“ *Hard for me to write this post. Still can't believe Bob has passed. A guy with such a big heart, warmth and smile. A dear cousin, a friend, and even a roommate nearly 30 years ago when we were both a few years out of college. We traded emails and a call every year or so. And still shared laughs about those days. Always, telling each other as we had kids that we would get our families together for that elusive summer reunion. I still have his 2018 new year's card with his lovely family on our fridge. I will miss Bob terribly. Bob reminds us all that it's goodness and kindness that really count. And sharing good times and laughs with friends and family in whatever time we have in this world is the most important thing.*

“ *"Thou shall love thy neighbor as thyself." Matthew 22:39; Mark 12:31; Lunc 10:27.*

Just as Jesus instructed, Bob was a loving neighbor. This past winter, he removed snow and ice from our driveway with his snow remover. He'd trim our trees when he was landscaping his own. He was always warm, friendly, and supportive. He will be sorely missed but leaves as lasting legacy of neighborly and brotherly love.

To his family and friends, "May the peace of God, which passeth all understanding, keep your hearts and minds through Christ Jesus." Philipian 4:7.

“ Lol, I remember traveling to Fairfax from Norfolk and was using the office I generally used when visiting...you came in and said "Greg Black just came in and asked who was using his office?" With a grin you told me what you told him...I then went to where Greg was as it was great to see him too:) We all had a good laugh.

“ I will never forget our parties with the Trevors, our vacations at the lake. You are an awesome man who married an awesomely strong woman and raised to very beautiful children. You were taken too soon, but know you are celebrating in heaven. You will be missed tremendously!

“ You were a very special man who touched the lives of everyone who was lucky enough to cross your path. The void that has been left by your absence will never be replaced. I will always love you for the way that you whole-heartedly gave your all to Melissa, Brooke and Tori. You may have left too soon but the impact you had will go on.
