“ To the family of Bob Gurick,

It was a pleasure to work with Bob at BAE Systems. Over the years at the office, I came to know him as a great husband, father, and grandfather! He would share family stories, family photos, and family recipes. Everyone loved his cooking!

I know how dedicated he was to all of you! May you find comfort in your special memories of him during this difficult time.

*Sincerely,
Marlene Grim*

“ I first met Robert at BAE Systems in August of 2008. Besides a consummate professional I considered him the best of good folk. Bobby was a powerful example that humans are far more than mere mortals. I loved having discussions with him about food, the Catlett butcher shop and our children's sports activities.

I feel the deepest sympathies and support for those experiencing his loss.

With heartfelt condolences, I am deeply saddened to hear about your loss. Although, I did not know Robert for long, I interacted with him on numerous occasions right from setting me up with my systems or assisting during troubleshooting sessions. Bob's voice was always reassuring. Like all of our staff, I will surely (and sadly) miss that voice. With love & remembrance.

“ Robert was very polite always. We used to take business trips to Thurmont, Maryland and sometimes eat lunch at the Mountain Gate Family Restaurant because they had really great fried chicken. One time he went on the trip with someone else and when he got back, he told me that he had found another great place to eat there, Rocky's Pizza. I went there and that is a great place to eat also. I have eaten at both of these places many times and always remember Bobby's excitement about them. Good times.
