“ *I was hoping Uncle Irving would recover from the pneumonia - although I'm sure the fracture hurt alot. He was an important man - almost of another era. I'm thankful for the memories I have of him.*

“ Please accept our heartfelt sympathies. We feel horrible that we did not get the news in time to pay our respects by attending the visitation/funeral.

We have lots of great memories of Mr. Hewlett who frequented our family business (Kohn's Upholstery) on many occasions. He did quite a bit of furniture refinishing for us and our customers. Some days when he would be bored, he would just come by our shop to "visit" & see if we had any more jobs for him to complete.

Our business has since closed down, but when we reminisce back during those 30 years and think of someone that really made a great impression on us... it would be Mr. Hewlett. He was a good friend and business associate.

It's sad to think he's no longer here, but thankful to have so many great memories that we will always cherish.

If there's anything we can do for the family, please let us know.
