Bob was the face of the GREATEST generation and it was a pure honor to have known him and to have been a friend of his. Selfless, kind, loving, forgiving, And of course funny. The world's loss but heaven's gain. I imagine Bob that you already are volunteering for something good. I hope we meet again.

“ Many fond memories working with Bob and beyond. He was always cheerful and helpful to all and he never missed a party! We all especially looked forward to St. Paddy’s Day when Bob would dress in all green with his top hat! I’m glad I was able to keep in touch over the years. My deepest sympathy to Cindi and family, who Bob always spoke fondly of. May he now be re-united with his dear beloved Dottie. RIP Bob.

“ My Pops was such a good man. I am proud to be his granddaughter. He loved his family and his friends & community alike. He would go out of his way to help others; to bring the best out in them. He worked hard and would light up any room with his smile and spirit. Each time I saw him, he would make me feel so special. I know it's the same with everyone he met. He had a way of making you feel like you're the only person in the room. He taught me so much throughout life. Each time he saw his grand babies he would find the time to give us advice, make us laugh, and he would always make sure we knew how much he loved us. Every holiday was special around Bob. My Pop-Pops was the best grandpa I could ask for. My family's whole world revolved around him. He will be so very missed by everyone who knew him. ❤️

“ I have known Mr. Kirk since I was 12 years old. Mr. Kirk was always a blast to be around. When Cindi was 15 and I was 14, he took us to a John Denver concert. We loved riding in his woody station-wagon. He would play the music we liked on the radio. If there was a swim meet, he was there! If there was a party at the club house, he was there. I have hundreds of fond memories of Mr. Kirk. He treated me like one of his own when Cindi and I were together. I loved him very much!

“ I got to know "Bobbee" pretty well during the time he was the Sight & Hearing Van scheduler. I drove the vans for 15 years from 2004 through 2019. Bob always made sure I saw the tentative schedule before finalizing it. He was truly one of the kindest, gentlest, considerate individuals I've known. I'm also a fellow chocolate addict.

“ This is how I want to remember my husband...surrounded by the blended family of those who cared about him most. Bob loved all of us, and was greatly loved in return. This picture was taken at his 80th birthday party five years ago when all four of the daughters, four of the five grandchildren, his brother-in-law and respective spouses/partners gathered to celebrate the occasion with a family cookout. Missing from the picture of course are the twin great-grandchildren who came along two years later.
