“ I was a great friend of your mom and dad. I was your Sunday school teacher when you were a little boy. I held you many times in my arm's and was a visitor to your home many many times. I know I haven't seen you for years but will miss the memory of you and I'll always love you. You were some of the greatest boys I ever knew and your dad and mom was one of my best friends will always cherish the memory and love you. My condolences to Mary and Tom and Ann and all your brothers. Mary Leonard-Leach

“ Robbie. I can't even begin. So many memories in Jenkins Ct. Like bike riding, climbing trees, building forts in our yard both in the trees and snow igloos with my brother. Hide& go seek. Freeze tag. Football. Kickball. Getting squirted with the water hose. Chasing the ice cream truck. Playing in the rain. Hearing your mom call all of you home for supper every day ... "Tommy Robbie Joey Stevie Jamie !" Playing in the creek behind my house and the huge water pipe we'd all sit under as Carl made it spray above our heads. Promising to grow up and marry Stevie and you teased us about it.

O. M. G. I could go on and on. You were a kind soul and friend to a girl who only had ALL boys to play with. You will be missed dearly by so many. Rest well my childhood friend, rest well, and I'll see you in heaven.

“ There are so many memories that I don't know where to start. If you lived on Baker Street you already know that all of us were one big family. Losing Rob is like losing a brother. RiP Robbie
