“ *It's sad the only time we really reflect on someone life is when their gone. While going shopping with my children one day after Roberts passing my children said Uncle Robert always had something nice to say to us every time he saw us. He always made us feel special and was very calming to be around. The very next day my husband and I were talking and my husband said he could make the ugliest person in the room feel like the most beautiful. This is how we remeber Robert.*

“ I am so sorry to hear about Roberts death only days ago, it seems like it was only a short time ago that i heard about Joemacs death. I knew them for over twenty years but since i moved to Luray six years ago i lost touch with them. Didnt know about either of them until it was to late to attend services. We had lots of fun at the races, I am glad i have alot of good pictures of good times.

If any of the family are interested in pics my e-mail is cwrelic3@comcast.net
