“ Hi Daddy, I just wrote Mom. Now it's your turn. You and Mom have been giving me a lot of signs that you are still with us in spirit. The butterfly that was on the deck that stayed around for about 30 mins was awesome. It was orange and blue. Both of your favorite colors. I got lot of pictures. I know it was you guys saying hi. Take care of Mom. I know you are so happy to be with her again. I wish you would of stayed with us though. I need you. It's so lonely with out you guys here. I love you and miss you so much. 🤝💙

“ He was a great family man and an awesome Uncle. I can remember the times when I had the opportunity to work at Canada Dry with him and learn the Scribner work ethic. Between my mother and father, most of my looks and personality has come from the Scribner side. The biggest take away from Uncle Bobby is the aggressive leadership qualities he had while being so loving to his family. You will truly be missed and Heaven now has a free spirit shining bright! It also was worth everything to come and hang out with you, my Dad and Danny one last time and tell you I love you! See you in a few.

“ *Dearest girls try not to be sad for your DAD he is just where he wants to be. As a friend I had much respect for Bobby he and I had great times and not so good but I know one thing for sure he loved his family and friends I hope his journey was good. We all have lots of memories of the part we played in their life. I will think of them often. GODspeed to the ones who are left. Donna*

“ *Dad, words will never be able to explain what you meant to me. You and mom were my best friends, my entire world. I try to take comfort knowing that you are both together once again, but I so wish it was here with us. I love you both so much and I will continue on my path that you both instilled in us of working hard and being kind to others. I hope you both look over Laura, myself and your precious grandbabies, we all just miss you so much. I am no little Bobby "lb" without you, you taught me everything I know. Give mom, granddad, grandmom and Eddie a kiss and hug for me, until we are all together again.*
