“ *Dear Dottie and family,
Know that you are in our prayers.
Bob and his team attended so many of the AT&T functions and he was always quick to make a joke about something. The Logistics group Julia, Marty, Aubrey and myself worked closely with Bob for many years. He always made everyone feel like part of the family. So sorry to hear of his passing. He will be missed by so many. RIP Bob.
Rita and the Logistics team XOXO*

“ Dottie, I was so sorry to hear about Bob's passing. My sincere sympathies!
I know this is not what you thought life was going to be after Dewberry. You and Bob share a lot of memories and many vacations together in the Outer Banks. I hope you find comfort having all those memories and will take each day day-by-day and find comfort knowing many of your friends here at Dewberry, like me are thinking of you and sending our love. — Brenda Tudge

“ Dear Dorothy and family, I spent many a time with Bob on my visits from NJ. He was a great guy with a quiet sense of humor. We spent many a day and night doing inventories at the locations in the DC area. So many memories of luncheons and parties and meetings when we were with AT&T. He will be missed terrible. Our condolences to you. R.I.P Bob. XOXO

“ Bob was one of my favorite regulars at BJ's...he genuinely cared about people...I'm going to miss his hugs...his smile...his joking around with the bar regulars and giving James Andrews a hard time...and his messages telling me to hold him a table because he was bringing his lovely wife, Dottie in for dinner. Definitely won't be the same without you! Thank you for being such an amazing person and a bright light in the midst of our darkest days at the Brewcasa...love ya, Bob...until we meet again. Ms. Dottie, there will always be a spot for you at BJ's and if you EVER need ANYTHING, please do not hesitate to call.
