“ Dear Janet,  
We are all so sorry for your loss. Everyone has been so impressed with the care and support you dedicated to both your parents during thier time of need. Your strength is admirable. Your generosity and self sacrificing nature is amazing. I am sorry I can not be there to support you, but know you are in my thoughts and prayers. It is now your turn to rest in the grace of God's loving arms for comfort and support.

“ Dear Janet,  
  
I was sorry to hear of the passing of your Dad. I know he was blessed in his last days here on this earth by the loving care that you gave him. I am sure that your companionship will be a memory he will never forget. I am also sure Melissa helped with all of the duties of his care and companionship and I know Robert was blessed by that too. What a wonderful granddaughter!  
  
Please know that even though I am not physically there with you and the family that you are all in my heart and thoughts and prayers. My love goes out to you!

*Dear Janet and Family, I was so sorry to hear of your Dad's passing. I knew your parents through my Mom, May. She had a place in the Flea Market Bob had. She was the Avon lady.*

*We were all very fond of your parents. Both my parents are gone and now they are all together in a better place. May they rest in peace.*

*They were both very sweet and kind people.*

*I have some photos I would like to give you of your parents if you would like. You can reach me through my email address.*

*Our thoughts and prayers are with you and your family. God Bless you.*

*Cathy Cornwell and family.*

*Sorry it took me so long to contact you, but I just was going through the site and just found the obituary today.*
