“ I only met Bobby once at REACH workcamp last year.. but within that week, we got so close and it felt like I had known him forever. He was always so sweet to me and I was so shocked when I heard what happened. We had kept in touch ever since then. Nothing has ever happened to me like this.. even tho I havent seen him in a year, I miss him soo much. He's always in my prayers and I'll always miss him. If his parents could keep in touch with me, please email me. Sincerely, Kiersten Ellis
