“ Thank you and Kim for always being so kind to myself, Bear and Shelby. You were always patient with us when sometimes our lives spined out of control. You were a good role model for Bear. He always looked up to you and especially loved talking about cars and trucks with you. He still uses your advice when he has a problem or wants to beef up his car. We will cherish all the good times and memories we have with you and Kim in our hearts forever. Love the Ball Family ❤️
