“ Bobby was a man of many talents...He was a Master Auto and Truck Mechanic, a Master Sewing Machine Repairman and a Very Talented Musician just to name a few. His instrument of choice was, as most of you know, the 5 string Banjo. Man could he pick that Banjo!! Besides his Banjo he also took alot of pride in his ride. He did a total restoration, with some performance upgrades, of his 1972 Chevy Malibu including reupholstering the entire interior himself. And being a car enthusiast myself I recognized the top notch workmanship that he put into that car. You would not likely have found one nicer. When he lived in Springfield I spent many an evening after work hanging out at his house talking cars and having a beer or two. And after he moved to Nokesville I spent many a weekend afternoon visiting. Bobby was a Man of Integrity and I will always respect him for that.

Though he was taken from us far too soon he will live on in our memories forever.

From a very fitting song by Vince Gill I leave this refrain:

"Go rest high on that mountain

Son your work on earth is done

Go to heaven a-shoutin'

Love for the Father and the Son"

Love Ya Brother until WE MEET AGAIN in GOD'S HOUSE!
