“ *Cheryl and Family, Jo and I are so sorry to hear of the passing of your Brother Wally. I think we met him on a few occasions, always seemed like a great man, loving and caring. I believe he had a zest for life and family. We are both so sorry for your entire family's loss. God Bless You, Ron and your entire Family always. He will be missed by all that were Blessed to know him. What I remember I think was he was always smiling. Unfortunately we cannot make the long trip to the service and funeral because of health issues. We both love you all dearly and miss you very much. We are sorry we cannot be there to hug and kiss you both during this sad time.*

*So sorry to hear of Wally's passing from this earth. He will be in a better place. I have had the pleasure of knowing Wally for several years. I enjoyed his humor and antics at Whitetail hunting lodge. I always tried to be there when Wally was. He was always very helpful. and never a dull moment when he was there. I always enjoyed his cornbread that he would make for all of us. Wally will be missed by a lot of people, especially members of the White tail.Wally always had a contagious smile.*
