“ Ann and children,

I am so deeply sorry for your loss. I will always remember the times I came to your home Ann. Bob always welcomed me like a family member. The last time we all shared pizza together. He was so happy not to eat meals on wheels and just have commercial food brought in. It just put a smile on my face because I remember Bob really enjoying it. I will stop by in the next week to see you. Please try to focus on the good times as a family. I'm sure there are many. May God bless him as he enters eternal life and watch over you Ann. I love you.
