I remember Robert from way back in the early 70's when I first met him in Manassas Park. He was always a kind person to me and lots of fun. He knew my brother, Bill very well, who we lost in 2009. I recently spoke to him and connected him with his daughter Tina...such a privilege that was!! I will miss you Rob and hope you're resting in paradise, my friend.

I lived next door to the Willis Family. I remember seeing Robert in the neighborhood. Always seemed like a good kid. Rose Bonner
