“ I'm at a loss for words, it was a shock to learn of her passing. Myself and my family are very very sad and can't believe Roberta isn't here with us any longer. Over the past few days, I have been remembering all of the family gatherings we had over all of the years, where we would get together at Aunt Mae's house and as we got older, at Charlene's house or Aunt Evelyn's house. She will be remembered as a kind loving relative. We loved Roberta, she was always there if we needed her for anything especially her Aunt Mildred. She and Elsie helped take care of dad in his last days of life, for that we are eternally grateful. At family gatherings, she was always the first one to help clean up or help with other tasks at hand, she had a lot of family stories which kept everyone in stitches. She by far was a great mother, daughter, sister, aunt and cousin. PeeWee was the light of her life, she loved him to the moon and back. We will miss and love her until we meet again in the next life. Love always, Aunt Mildred's family
