“ Robin, I really enjoyed every minute I was around you! You were always so sweet and nice to me; not to mention, always going out of your way to help others. I first met Robin nearly 13 years ago when I attended a happy hour event after work. I will always remember that night; we had so much fun. I will certainly miss you

“ *Robin was one of the coolest people I've ever worked with. Knowledgeable, caring, genuine and REAL. She was outspoken, gregarious and absolutely the life of the party everywhere she went. The lady knew how to live and cared deeply about her family. I haven't seen her in years (except on FB), but will remember her fondly and have a beer in her honor tonight. Rest in peace, amazing lady.*

“ *My thoughts and prayers are with the family and friends who love Robin. We were friends since high school and worked together at Manassas Park Police Dept. as Dispatchers back in the late 70's. She and I shared a lot of great times together as well as sad times too. She was truly one of my very best friends for life. I am so glad I got to see her in August and tell her how much she meant to me and how much I love her. Robin loved her family and children and grandson very much. She may be gone to God's paradise, but she will never be forgotten. Rest in peace my dear friend, I will always cherish you.* ”
