“ Helena,

I don't have words at this time that would likely ease the immense pain in your heart over the loss of your dear son, Rodney. I am glad to know he was a follower of Christ, and that is the only consolation I can offer at this time. What a loving savior we have in Jesus who took our sins with him on the cross and that is all the redemption we need.

I cannot tell you how often I think of you these days. You are an awesome person, friend, wife and mother. I love you greatly!!
