“ Dear Dee,  
*May the Holy Spirit comfort you and the family at this time. I know you are going to miss your beloved Rod. Do you remember that day it was raining and the creek out back overflowed over Diana's bridge? That was the last time I talked to him and you were by his side helping him along.*

*Warmest regards, Sue Copen*

“ Dear Dee,

*My heart is with you at this time of sorrow.*

*Rod was truly an incredible theologian and mentor; his works on earth will surely be rewarded in heaven; I know this to be true. I thank God every day for leading me to his Sunday school class. He has armed me with knowledge and truth of the Word and for that I will be forever grateful.*

*Love and Blessings to you and your family.*

*Sincerely,

“ Dee,

*How blessed we were to all have gotten a chance to know you and Rod over the years. He always had kind words for me and my family. And I knew he really cared. From humble beginnings to greatness in heaven, that's how I'll remember him. May Jesus be at your side to comfort you always.*
