“ *Sheryl,*

*I am very sorry for your loss.
Roger was my teammate whom I talked with every day.
We are devastated by losing Roger from our team.
We valued his hard work and his kindness. He was a one of kind person that we will never forget.
He and your family are in my prayers.*

“ *I will sure miss Roger! Each time we talked, I could hear that smile that I see in this picture. I am so thankful that we had Christmas together and reminisced about growing up as cousins. Until we see each other again.....save a place for me!*
