“ Uncle Roger you will be missed by many. Your time with us here on earth may be over but I know I will see you again! You are no longer in pain and your cowboys can win every weekend. You faught till the end. You just did not want to give up. Being there with you in your last moments is something I will always remember. You looked so at peace. Sit on the cloud and chat with your past friends and family. Make sure you look over us all down here! My prayers go out to my Aunt, Uncles, Father, and cousins. Many thoughts and lots of love!

“ Uncle Roger, you were my fun loving, joking, speak your mind (no matter who liked it) kind of man and I sincerely loved and admired you for that. In my entire 44 years with you all I have are wonderful memories. You were so young when I was born it was lke having an extra big brother and uncle all rolled in one and I thank you for that. You were one of the biggest Dallas Cowboy fans I will probably ever know. So as we get ready to lay you to rest on that day we will honor you and your Cowboys. I love and miss you and always will. Until I see you again goodbye. "KITTY"

“ Roger, we miss you already and always will. You are now flying with the Angels and partying with your family and friends who went before you. You are free from all the pain and suffering that you have endured all these years. May you now rest in peace... my dear brother, and my dear, sweet brother-in-law. You will always be in our hearts. Until we meet again...
