“ *Roger was my neighbor and he always had a smile and a kind word whenever I saw him. He usually had a good story or two to tell also. He was always willing to help others out in any way he could and he will be greatly missed in our neighborhood. Rog was always working in his shed and seemed to enjoy his woodworking. I hope God sets him up with a nice big fancy workshop in heaven! May God grant his family comfort and peace in their season of loss.*
