“ Dearest Carmen,

I had the pleasure of working with Roger when he and I were young!! He worked in Jim Rupp's organization when I supported Jim back in the '70s. Roger was an outstanding engineer who shared his expertise and wisdom with so many engineers who came to IBM Manassas after him. The added bonus of knowing Roger was becoming friends with you. If memory serves me correctly, the first time I met you was at Bob and Mary Ellen Hume's Halloween Costume Party; and then spending great times together over the years with the Ackermans. I am so very sorry for your loss. May the love and support of family and friends give you strength. I will continue to keep you and your family in my prayers.

“ I was so sorry to hear about Roger's passing and offer my sincere condolences to Carmen and his family. I met Roger when I joined the Prince William Composite Squadron of the Civil Air Patrol and had the pleasure of working with him there for nearly decade. I think he had a secret mission to get this dormant pilot back into the "game". He failed in that but we did fly together a lot as he got me qualified and requalified as CAP air crew. He was a great pilot and always a pleasure to be around.

I will miss you, Roger.

“ Having been hired by IBM Manassas FSD in the late 70's, I had known Roger and worked with him on several programs. As a young pup, Roger never hesitated to help, mentor, and foster a team environment-always. He expected us to work hard but also to play hard also and followed his own advice. I was very fortunate and blessed to have been in Rogers company. On the lighter side, I learned when Roger said 'we' should do this, it meant 'you' should do this. Definitely a very fond memory.
My sincere condolences to Rogers wife and family. And Roger, God's speed to you - faster than any computers and processors you conceived. Thank you 🙏

“ I am so sorry to hear of Roger's passing. He'll always be "Mr. Pearce" to me, of course, since I only knew him as a child growing up on the street. I will always remember his big smile and good-natured laugh. Rest-in-peace, Mr. Pearce. My condolences to Mrs. Pearce, John and Lisa. - Robert "Robbie" Bitzer
