“ *I'm very fortunate as to have a ton of great memories of Pete. Our childhoods through adolescence were filled with a lot of video games and annoying our respective siblings. Once we put Elmer's glue in my little sister's glass of milk and tried to get her to drink it (non-toxic so no biggie). When she objected to the smell of it and refused to drink it my Dad told her to stop being wasteful (she had often left drinks 1/2 finished). An unwitting accomplice to our prank, but after she complied and drink it she was vindicated by showing the glue at the bottom of the glass. We didn't think that one out so well looking back. Pete was a funny guy though, the kind with an endearing sense of humor. I will always remember him as just that as looking back fondly on our friendship.*

“ We are so sorry for your loss. May you find comfort in family and friends (Proverbs 17:17). For additional strength, may you find it in God who cares for you (1 Peter 5:7). Please accept our deepest condolences.

“ Wishing your family comfort at this sad time. We will remember Pete's kindness and his sense of humor and his love for animals. When a pond was being drained and it looked like the fish and turtles were all going to lose their homes and be killed, Pete and Ian insisted on saving all the fish and turtles that they could catch so we could release them into a new home- which we did. Pete was happy that he saved them. I am glad we were able to be part of Pete's life. He was a good person.

“ Pete was like a big goofy teddy bear. I remember going over to margies to visit and me tanya and Pete would play video games for hours or bug Jennifer to play board games of course when she got dream phone that was my first pick and Pete would imitate the voices of the guys on the phone I would get mad because he always said the one I liked was gay lol. It was hilarious we would run threw the house and margies would be in the kitchen cooking of course and would yell with.out yelling petty girls stop running and Pete would say tanya why you always gotta get me in trouble because she was the chubby one and made more noise hahaha. Didn't get to see him all the time but when I did we definetly had fun and always were getting into trouble by grandma and margie or getting on Jennifer nerves. He especially liked getting on Jennifer's nerves hiding under bed taking her stuff and hiding and blaming it on us it was fun because Jennifer was in her teen days and it drove her crazy. I still can't believe his gone. It was almost like it was yesterday asking him why does he only eat spaghetti out of a can lol. Pete always has won the Mr.personality and gamer champ in my books. You will be missed by many and you have made a special spot in many hearts that will never fade away. Your goofy smile will continue to make me smile and our childhood memories will never fade. I love you petey
