“ I love him and miss him already. Always real nice when I come by the house with dave. Always sweet , giving my hugs and kiss on the cheek. Always remember him as a big and strong guy with nice grey hair. God has His own plan, sometimes it's not what we expect when things turned out the way we don't want them to be, but with this will come a bigger plan. This will hopefully bring the family together a lot closer. I would like to see The rest of David Woodson family. Since both parents are gone and david always talks about how much fun he used to have at reunions, holidays, get together, etc... I see part of him is missing it. I don't know what our future will hold, but I know Mr woodson is reunited with David mom and they will watch over us. They will watch us get married, have kids, and growing old. Rest in peace mr. Woodson

“ May your guardian angels wrap their wings around your family and friends in their time of need. Give them comfort in knowing you are no longer suffering. Strength and courage to carry on in their daily life. You will always have a special place in my heart. Love you and miss you. Rest in peace, Uncle Roger.
