“ I couldn't imagine my life without Ron! A great friend, coach, mentor and father figure. His passion for softball was contagious and kept many of his players coming back to the field years after we were done playing. Ron was there during the toughest times in my life and always had something funny to say to make me feel better. I will miss him greatly, but with so many fantastic memories for more than 20 years, he will never be forgotten. My condolences to the family as you guys work through this hard time. Rest In Peace Ron!
