“ *This is quite a shock I didn't expect him to go like this so we just visited him and his family just as his grandson was going on his mission a few months ago and we're very sorry to hear about his passing and denigrate mentor and he's been a great person great friend and he will surely be missed. He definitely was a big supporter of the scouting program and we admired his goals to help I love is grand boys to receive is there you go scout*
