“ We are sorry for the passing of Ron, he was one of a kind friend. He was always there, when you needed him to fix your car. I remember when my car broke down in Alexandria and Ron came to help me right away and called me and said "don't go anywhere I will be there shortly". Ron helped many people and did not want anything in returned. Heaven just received a good mechanic. Ron, you have rewards in heaven because Jesus saw your kind heart.

“ I am deeply saddened about Ron's death. Ron is such a good and genuinely kind-hearted person. He would go out of his way to help others in whatever way he can. He has been a blessing to others and most especially to me. I've consider him my own brother teaching me a lot about cars and compassion to others. I will miss him dearly. May God's peace be with you, Ron! My name is Fidel Macan and would like to offer whatever assistance I can provide for the family. Thank you RON for being a part of my life.

“ Ron is like a brother to me not only physically but spiritually. He is such a good man. He is always there for you whenever you need him. He is always giving advice whenever he's working on anything. I know even as he leaves this world, he is continually helping someone up above. God bless his family. You will never be forgotten, brother Ron!
