“ *Clyde was one of the first folks in the area to welcome us to Bristow some 28 years ago. He was always kind to my mother, and was always there if we needed help with a sick horse or pastures cut. He was also at the ready to deliver a good joke along with a load of firewood. I remember him stopping by with his border collie, Sallie, who would play with mine, Maggie. The last time I ran into Clyde was at Tractor Supply a few months back. How appropriate -- he was not just a great man but a true farmer. I know he will be missed.*

Thoughts and prayers to his family.

“ *Bonnie and Family,*

I am so sorry for your loss. Clyde was a special family friend and will be missed dearly. He was a kind soul and always made me laugh with his silly jokes. Life will not be the same without him.

“ *Clyde delivered wood to us for the last four or five years. He was one of the nicest persons I have met. I had a chance this summer to talk to him and his son and prayed that he would be healed. I guess Heaven needed him more than we did. Our condolences go out to all of his family.*

“ I am so sorry for your loss, Bonnie, Travis, Shawn, and Kim. Clyde was my closest friend, and I will miss him terribly. He had a way of making any and every day one to appreciate. He was straight forward and direct, but a considerate gentleman. He was hard-working, but also knew the value of sitting down in the shade and enjoying the company of friends. He made me laugh every time that I saw him, even when our work was difficult and our days long. He was one in a million. I am grateful that our paths crossed twelve years ago, and I wish so much that I had more time with him.

“ Clyde and I were high school friends. He was one of the two most handsome guys at Ervinton High School. After classes one evening, he invited me to take a motorcycle ride from school to Clinchco. Silly me! That ride was the closest I have yet come to death!!!! I know and love this entire family...have gone to school with them...and worked with them. I am so very sad for their loss.
