“ Mom, today March 30th two years ago you entered the hospital to never come home. I would give anything to receive another loving mom hug from you and or to have you come back to me. Not a day goes by I don't think of you and miss you. Life isnt the same without you. I come talk to you all the time at Quantico but it just doesnt cut it. I MISS YOU AND WILL SEE YOU SOME DAY SOON.

“ Lee, the 13 years we've worked together has and will always be fond memories! I never knew a person could move so fast until a mouse crossed your path,I tried so hard not to laugh but, so sad when I saw the tears in your eyes! I always loved to hear about your travels, I still have the lava rock.

*You were the most kindest and gentle person I've ever known!
My thoughts and prayers to your family.*

“ Dear Bowles Family - May you find comfort in knowing that just as Jesus received power from his heavenly Father to raise back to life his close friend Lazarus (John 11;43,44), he will soon use that same God-given power to resurrect Rosa to live forever right here on earth under peaceful conditions where "death will be no more." - Rev. 21;3,4. Plea). May you find comfort knowing that one day soon you will be reunited with Rosa in Paradise on earth and all of our sources of sadness will be soon gone forever. With deepest sympathy,
