Our mom was never one to meet a stranger, she became friends with people wherever she went, especially her favorite places yard sales, and thrift stores in her search of name brand purses. She touched many lives over the years in her career and outings.

“ *Where to begin. Ann made it so much easier for me to go to work. I knew she would get DJ to and from school safely and with a smile on his face. I loved talking to Ann while getting off the bus. Ann was an amazing woman. She really touched my life in many ways. Never saw her without that smile and a comment for sure. She will be truly missed. I am a little emptier knowing I won't run into at Walmart. I will see you again. Rest in peace until we meet again.*

“ Thinking of everyone during this very difficult time. No words can express my sorrow. Ann drove a bunch of us to school , always with a smile and a caring heart. Loved the way she would decorate the bus and herself for every occasion. May God bless all and give you strength and peace.

Jim and Vonnie Privett

Rose lived next door to Jim for many years. We used to laugh when Rose would yell outside for her only son to come in for dinner "Bucky!"

Rose really enjoyed doing everything in large ways, whether family or friends, she loved each one of us.

May you rest with the angels. Kylene and Freda will be there to welcome you home. God bless your family through this most difficult time.
