“ Rosie was my leader at our pioneer center in Hackensack, NJ, 1975. Together with Mrs. Kumiko Leal. We worked hard witnessing and fundraising, and attended True Parents at Belvedere every Sunday. Aidan Barry approved her apartment choice after checking to confirm that the exit stairways were adequate for us to escape from communists. Those were happy days, fundraising the great parking lots on NJ route 17, and witnessing around the Hackensack library. God bless Rosie for her steadfast heart and love.
