“ Uncle Roy,  
You will be missed by many but especially me. I'll never forget the days sitting on the banks Of Goose Creek with my Bamboo fishing pole listening to you and dad tell me to leave it in the water if you wanna catch a fish.. or the time you whipped my butt for chasing the cat across the road. The memories that I'll cherish forever but never to hear your voice again saying “Boy Watcha Doing “ absolutely breaks my heart even though I know I'll see you again one day and I hope that you'll meet me and call me BOY again .. I Love You
