“ Our family has held your family in prayer for many months and we will continue to lift each of you during this time of grieving. Losing a loved one is so very hard but it is wonderful to be able to close our eyes and see the wonderful things our loved one did to brighten our day or encourage us. Mr. Roy always had the warmest smile, it was the first thing I noticed when we met years ago at the park. I always treasured the conversations we shared and I always walked away feeling blessed to have talked with him. I know that smile is what he wears at all times now and I am grateful we will all see him again one day. May God bless each of you and hold you closely during this difficult time. Love in Chirst to all,
The Dixon family

“ So sorry to hear of Roy's passing. We shared many hours of work at the Lincoln Paper mill and also had some fun times ice fishing on Moosehead Lake. Roy was a great guy and made a lot of friends here in Lincoln. Best wishes to you, Margaret, Ned and Beth.

“ My deepest sympathy to the Davidson family. Roy and I worked together at James River Corporation in Alabama and became good friends . Roy was the Mechanical Maintenance Manager and I was the Electrical Maintenance Manager at the time. We spent many hours working together. Charles Coates.
