“ To Roy's family, Your mom and dad were very good friends with my folks, George and Kathleen Cottrill in Florida and I got to know Roy and Jane through the Lion's Club. We wanted to send our condolences to his family, as we realize that so many of that generation are no longer with us. We really miss their presence and friendship. Thinking of all of you.

Sincerely, Jim and Dianne Cottrill, Ormond Beach FL

“ *Linda, Donna, Brian and your family's, Our deepest condolences on the loss of your father!*

I have many happy memories of the times spent with you and your parents. We've known each other from "Day 1", as our parents had been friends for many years. May the memories you share with each other help to heal you hearts in time. May his smile & laughter fill the void you feel. May you find comfort in knowing he is with Jane, again! All our love, Bev & Rob

“ *Roy was one of my dearest friends for many years. He and his wife, Jane and I met in 1962 and stayed friends. I watched their children grow up and am still in touch with them. He will be missed by me, but I have many good memories of him and Jane.*

*So long, Roy... we will meet again one day.
