“ I remember Russel from the days he first started to work for Rinker-Detwiler. It was an exciting time and I recall the energy that Russell exhibited as he pursued his career. He is fondly remembered by many of his co-workers and friends at RDA. With sympathy for his family.

“ I met Russ about 4 years ago - he was always such a educated, smart and compassionate man - talked about his children and the parties he would have for them. This man heard of a misfortune of mine and out of the blue "he helped me" - he made me cry and I will never forget him or his kindness.....His comment to me was "Pay it Forward" - we will miss you and think of your family every day !
