“ *Ruthie was my Ombudsman back in the early 90's. When I needed a place to stay, she and Mitch opened their house to me. She helped me get into housing and then lent me curtains and a tv stand... for longer than a year. Ruth shared her heart, her resources and her talents freely. She was a walking example of how to live. She loved me and I loved her. Even tough we were separated by time and distance our hearts will be joined forever. - Leisa (Cromley) Safronoff*

“ *Ruth and Mitch lived in my ward in Lehi, Ut. We had a family night group that met every Monday evening and it was there that I got to know Ruth better. She was funny, spunky, knowlegable, hard working, and had a true testimony of the Gospel of Jesus Christ. My life was truly enriched by knowing her and am very sad to hear of her passing.*

Dear Mitch please know that our thoughts and prayers are with your family and pray that our Heavenly Father's comforting spirit will be with you. The Segoe Lily Ward is better because the Kauffmans lived here for a while.

*Sincerely,
Suzanne Jones*
